Professional Experience

Co-Founder at ThatsGameBro.com - February 2016 to present

- Founded That's Game Bro. It's a media platform which publishes news about esports games and tournaments. At the same time, we do interviews with people in international and Turkish esports community like professional teams, professional gamers, game publishers, team coaches, and team owners. We're one of the biggest esports media platforms in Turkey right now. Our website, on the Alexa website ranking system, reached the 1.700th place in Turkey and 80.000th worldwide and we have 100.000 unique website visitors per month.

Additional Experience

- Joined a lot of tournaments as the press to produce content for our readers. (FACEIT Major: London 2018, BLAST Pro Series: Istanbul 2018 and ESL Turkish Championship 2017)
- Interviewed lots of professional players & streamers, participated in press conferences and meetings about esports community.
- Translated English articles and interviews to Turkish for my website.
- Attended B2B meetups for networking purposes.

Volunteer

- Went to a rehabilitation center for children with disabilities and spent some time with disabled children there.
- Collected a variety of items (clothes, shoes, school supplies, etc.) at the school that could help the education of poor children.

Certificates

- University of Waterloo - Certificate of Distinction at Mathematics Fermat Contest (2019)
- University of Waterloo - Certificate of Distinction at Sir Isaac Newton Exam (2019)
